

Office Based Program

The Ready To Focus office based program is a partnership of Legacy Clinical Consultants and Ready To Focus. In our office based program you will attend individually scheduled appointments at our West MI offices or West Chicago offices (at Legacy Clinical Consultants) once or twice a week. Training will be administered by a Ready To Focus technician with the training protocol individualized to your specific needs as identified in the initial consultation.

Summary of what is included in program:

- Weekly appointments (typically 1-2 appointments per week) at our office
- Brief session report from technician for each appointment
- Scheduled appointment with clinical director every two to four weeks to review progress
- Weekly behavioral assessments
- Re-testing at regular intervals to measure progress.
